Dear Scholarship Candidate,

Each year, the Teressie White Memorial Scholarship Foundation awards scholarships to graduating seniors of the Aromas-San Juan Bautista area.

The Scholarship Committee is looking for deserving students who will use their education to build a better future, for themselves and for their communities. The Scholarship Committee decision will be based on a review of all submitted application materials. The scoring rubric gives equal weight to academic achievement, community service, and financial need.

You are invited to apply if you meet the following criteria:

1. You are a graduating high school senior and a resident of the Aromas-San Juan Unified School District. The scholarships are not limited to Anzar High School students. Students who are residents of the district but graduating from another high school or have been home-schooled are welcome to apply.
2. You intend to use the scholarship funds for higher education at a university, community college, trade school, or other institution of higher learning.

Please see the application for further instructions.

Good luck!
