San Benito Wildlife Crossing Public Meeting

Thursday, January 29, 2026 5:30 PM to 7:00 PM

Aromas Grange Hall, 361 Rose Ave, Aromas, CA 95004

Caltrans, in partnership with the Land Trust of Santa Cruz County, proposes to construct a wildlife overcrossing structure to improve wildlife connectivity in an area that is currently bisected by U.S. Route 101 (US-101) in San Benito County. The project is located near the San Benito/Monterey County line, approximately 3 miles away from San Juan Bautista, the nearest incorporated city.
